AC-825IP, D-805, P-805, R-805, S-805, ME-1515

Dear Mr. Ilan Ozer:

UL has completed the investigation under the above project and confirmed compliance of your product(s) with UL requirements as detailed below. We appreciate that you have a choice of certification providers and thank you for choosing UL.

UL 294 - STANDARD FOR ACCESS CONTROL SYSTEM UNITS - Edition 7 - dated January 31.2018 revisions through and including October 8, 2018.

This letter temporarily supplements the UL Follow-Up Services Procedure and serves as authorization to apply the UL Mark at the factory location(s) identified on the Authorization Page of UL File BP9264, Volume 1 and 3. You are required to send a copy of this letter to all manufacturing locations authorized under UL File BP9264, Volume 1 and 3.

NOTICE OF COMPLETION
AND
AUTHORIZATION TO APPLY THE UL MARK

The Follow-Up Services Procedure covering your product(s) will typically be provided by UL within 10 business days. Any information and documentation provided to you involving the UL Mark services are provided on behalf of UL LLC (UL) or any authorized licensee of UL.

Products that bear the UL Mark must be identical to those submitted to UL for evaluation and certification and must comply with the Follow-Up Services Procedure covering your product(s). Additional requirements related to the responsibilities of the Applicant and Manufacturer can be found under **Additional Resources** at <https://www.ul.com/fus>.

A UL certification is a valuable marketing tool meaning your product or company has successfully met stringent requirements. We encourage you to use your UL Mark and certification in your marketing activities. You can find information on how to accurately promote your UL certification at <https://www.ul.com/marketing>.

If you have any questions, please contact me or any of our customer service representatives. And, congratulations again on your achievement!

Sincerely,

Raymond Ornias
Staff Engineer
