

## AxTraxNG™ Server - Video Integration Integration to HikVision and DaHua NVR Systems

### ■ HIKVISION & DAHUA Integration

- You can easily add Video Integration to AxTraxNG when using DaHua or HIKVISION Network Video Recorders (NVR)
- Easy to activate Camera Integration License
- Easy to configure the operation settings
- Here are some of the Value-Added features:
  - **Live Video POP-UP** on any Access Control Event
  - **Saves Video Snapshots** upon AxTraxNG Event
  - **Generate User Access Reports with Snapshots**
  - **Side-By-Side User Detail pop-up** with Live Video
  - **Event based Triggered Video Recording (5-15 s)**
- All of these features make your NVR footage more context relevant and your Access Control System more effective. Guards can see the Live footage alongside the user details makes it fast and easy to verify the user at the reader.
